# 1-DAY TRIP IN TOKAJ-HEGYALJA

Length of the tour:

86  
km

1.  
Stop

## Easy hike to the Tengersizem and Via Ferrata

A wonderful natural sight in the Zemplén Mountains, on the outskirts of Sárospatak. The Tengersizem on Megyer Hill was originally shaped by man, but today it is in perfect harmony with nature and the former millstone mine. The hike takes about 1,5 hours

For more adventurous guests, we recommend the adrenaline-pumping Via Ferrata instead of the hike, where you can practice rock climbing in safe conditions along rope courses next to the Tengersizem.

or

## Exploring Hercegkút (Calvary and Gombos Hill cellars)

This is the only place in the Tokaj wine region, and perhaps in Hungary, where nearly eighty cellars with a uniform appearance are arranged on four levels above each other. It is worth combining your trip with a visit to the Götz Winery - reservations can be made at the reception. If you wish to visit the cellars, please let us know 3-5 days before your visit. A short walk from the cellar door will take you to the Calvary Lookout, where you can enjoy a magnificent panorama.

### Parking:
