• BOTANIQ • COLLECTION

Natural, graceful elegance of the highest quality.

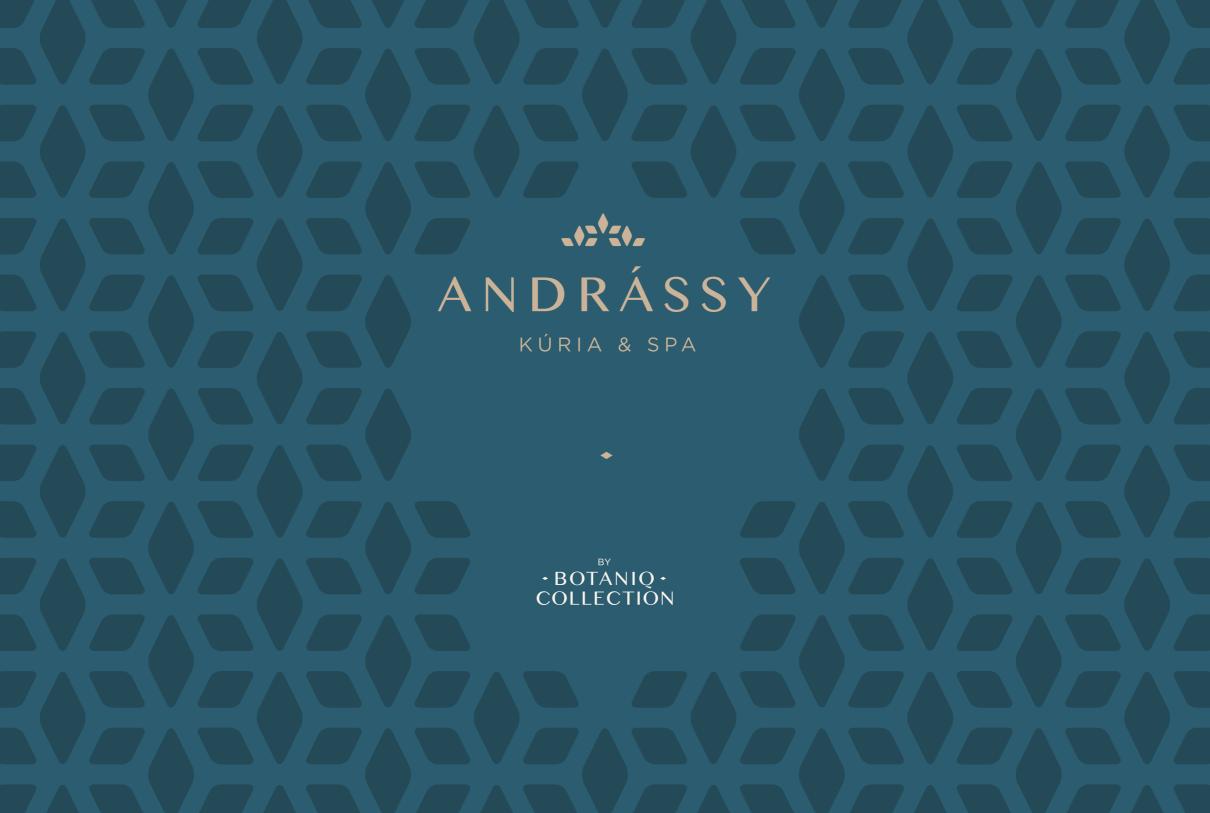

The unique locations of the BOTANIQ Collection offer an experience of full energy boost. Relive the history of our units, indulge in intimate relaxation and unwind with our spa and wellness services to enjoy every minute of your well-deserved rest!

The spa and wellness services of the BOTANIQ Collection were designed with the aim of perfect relaxation. We drew on the amazing power of nature, which plays a central role in all our units.

Try the natural products of MEI - the quality - used in BOTANIQ Collection units, uniquely in Hungary.

During MEI treatments, we guarantee natural renewal by using 100% chemical-free vegan products made by careful selection and cold pressing of wild plants.

Discover the BOTANIQ Collection's Italian luxury cosmetic of the highest sense of life and enjoy the harmony offered by us!

Andrássy Kúria & Spa

Our wellness area has been designed in a spirit of full body and spiritual rejuvenation.

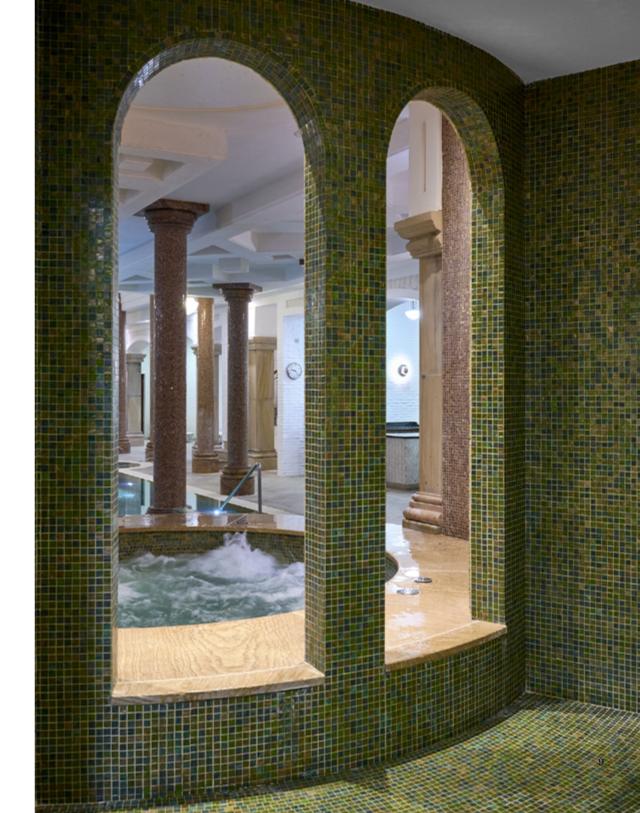

Cave bath, whirlpool bath, outdoor and indoor pools, five-star sauna and Spa – experience the relaxing charm of recreation for your body and your soul!

Explore the relaxing treasures of the Andrássy Kúria & Spa wellness hotel, the cave bath with its thousands of colours, or the pool with its imposing columns and its warm water, which will ensure your relaxation.

Refresh yourself in our Finnish and infrared saunas, you can make the experience even more enjoyable with an ice-cold, energizing plunge. Enjoy the pleasant heat of our steam room or the fresh air of our salt room!

Discover the magic of the BOTANIQ Spa and enjoy the pampering effect of our exclusive facial and body treatments or massages.

For our seasonal offers, SPA vouchers and treatment reservations, please contact our staff at the SPA reception or at the hotel's telephone extension provided.

BOTANIQ

signature treatment

BOTANIQ SPA RITUAL BY MEI BEAUTY

55 000 Ft 90'

A green clay-based exfoliating cream with field horsetail and calendula extract moisturiser.

A unique treatment that combines the philosophy of BOTANIQ Collection and MEI treatments. The full body scrub and cleansing facial treatment contribute to physical and mental refreshment. Water-deficient pores are replenished by the plants, and the green clay extract nourishes and firms the skin.

MEI facial treatments

NUTRITIVE

25 000 Ft 50' ◆◆◇◇◇

Recommended all year round for dry, stressed and dehydrated skin.

A truly nourishing facial treatment to revitalize dry and dehydrated skin. The treatment begins with delicate exfoliation to prepare skin for a serum rich in vitamins, followed by a soft, rich macadamia oil and helichrysum flower extract. It nourishes the skin from the very firs application, helping keep your skin firm, toned and radiant.

BOTANICAL - FOR MEN

12 000 Ft 25'

Ideal for skin detox and skin renewal.

MEI's special detoxifying treatment against the daily harmful effects of pollution and chemicals. Made using our Botanical Regenerating Peeling, formulated with highly absorbent green substance, relax oil and horsetail for the improvement of skin elasticity. To finish, we use our deeply moisturising, nourishing Botanical Body Cream with calendula extract.

ANTI AGE

25 000 Ft 50'

The ideal way to treat wrinkles on mature skin.

Pamper yourself with this treatment for anti-aging results. It is a serum-cream duo with highly concentrated active ingredients to renew the skin, for a real energy boost. Obtain a fresh, radiant complexion thanks to the botanical hyaluronic acid and colloidal silver ingredients.

ROSE MEI

Ideal for skin irritations, problematic skin types, for treating acne, with deep regenerating effect.

The precious properties of the essential oil of the Persian Rose and the richness of shea butter enhance, nourish and hydrate the skin. Palm oil and the eudermic and nourishing effect of avocado oil are a true wellness treatment for the skin.

DETOX

30 000 Ft 50'

Recommended for all skin types, ideal also for men.

A powerful skincare treatment formulated with beneficial botanical ingredients that revive blemished, oily or combination skin. Exfoliation and the application of a mask are followed by a massage with specific creams rich in South American quebracho bark extract to purify and renew the skin and to restore its tone.

MEI LIFTING TREATMENT

38 000 Ft 50'

Lymphatic treatment technique and muscle stimulation for a visibly smoother and younger looking complexion.

It counteracts the first signs of skin ageing and loss of the skin's firmness. A truly natural lifting treatment that harmoniously rejuvenates facial skin, thanks to the mix of ultra-concentrated active ingredients.

MEI body treatments

BOTANICAL DETOXIFYING & ELASTICIZING

••

25 000 Ft

A rejuvenating and detoxifying treatment that immediately tones and regenerates the skin.

A special MEI treatment to eliminate the toxins that settle on the skin every day: smog, harmful agents, and much more. Performed with the Botanical Regenerating Peeling. Elasticising Relax oil made with horsetail, and Botanical body lotion with its unique effect and calendula extract contribute to hydrated and nourished skin.

DOLCE VITA

25 000 Ft 50'

The power of sweet orange and lemon help to retain skin elasticity.

The essential oils of sweet orange and lemon will give your skin softness and radiance thanks to the synergy of our sophisticated MEI SPA products. The ritual begins with Dolce Vita scrub. The elasticising massage is performed with citrus-based oil by our therapists. Thanks to the "final touch" of sweet orange cream, you will experience unforgettable moments.

SOTTO SALE

25 000 Ft 50'

This is an exclusive ritual that releases tension with the power of Sicilian sea salt and peppermint.

Vitality and unique revitalisation thanks to the detoxifying power of Sicilian sea salt, enhanced by the essential oils of wild Peppermint. All this, with the plant extracts of green tea and ginseng root, provides a powerful tonifying and firming effect.

ORO DI SARDEGNA

30 000 Ft 50'

Thanks to the Mediterranean maquis ingredients, it tones the skin and is guaranteed to leave it radiant-looking with the power of wild olive oil, myrtle and aloe vera.

The power of wild nature and its active ingredients offer you an unforgettable treatment. Thanks to the beneficial effect of olive oil, myrtle and aloe vera, your skin will immediately regain its vitality and freshness.

PERSIAN ROSE

Immerse yourself in the pampering and beneficial body and face treatment offered by Persian rose water.

A very precious face and body ritual, with wild Persian Rose essential oil. A smoothing treatment, making the skin especially radiant, that envelops the skin using eight natural MEI products, thanks to the enchanting massage techniques.
