The Andrásy Kúria & Spa is the jewel box of Tokaj-Hegyalja, special in every season in the selection of venues. A fairytale romantic wedding venue in the heart of Tokaj-Hegyalja, where we can celebrate one of the most special moments of our lives, when we say "I do" to the person who will accompany us on the journey ahead. Whether it's the snow-covered winter landscape or the lush greenery of nature, our Mansion is a wonderful choice for you and your guests at any time of the year. Our team look at this day as if it was our own. From the personalised planning to the end of the celebration, we are with you to ensure that everything is exactly as you dreamed about it.

Civil ceremonies can take place in the Salon and its sumptuous rooms, on the terrace of the Mansion and in the gallery of the event hall.

For religious ceremonies, guests can choose between the many churches of Tokaj-Hegyalja and the synagogue of Mád. The Roman Catholic and Calvinist churches located just a few steps from the hotel are a curiosity.

For the wedding lunch or dinner, we recommend the Event Hall, the Salon or the Bobajka Restaurant, depending on the number of guests.

Whether it's a cosy family atmosphere or a celebration for large groups of friends, our basic decorated venues can accommodate from 30 to 150 guests.

More spacious than usual, elegantly furnished rooms await you and your guests, including the majestic Andrassy Suite and two Premium Suites. For bookings over 10 rooms, the Premium Suite is complimentary, and for bookings over 15 rooms, the Andrassy Suite is complimentary for the newlyweds.

For bookings of a minimum of 45 rooms, we offer exclusive use of the Andrásy Mansion & Spa, which includes all the hotel's rooms and spa facilities.

Culinary delights are served by our Michelin Guide recommended restaurant, Bobajka, where our chefs guarantee a truly memorable gastronomic experience using the finest ingredients. Our menu includes international favourites as well as modern variations of typical Hungarian dishes, and we are also happy to cater for individual tastes. Our multi-course meal compositions are available tailored to the couple's individual needs, which can be individually complemented with delicious desserts made on site. We welcome you for a rehearsal dinner and dessert tasting after menus have been agreed.

We are also happy to assist you in ordering your wedding cake from an external supplier.

The Mansion's chef will prepare a special menu for guests with diet restrictions.

We will make your big day unforgettable with special drinks, from champagne toasts to the best of Tokaj-Hegyalja for each course of the dinner.

No outside catering is available, bringing in drinks are limited.
